

**REMARKS/ARGUMENTS**

Claims 7 and 8 have been amended to independent form incorporating the limitations of claims 1 and 2. Support for amended claim 7 can be found in claims 1, 2 and 7 as originally filed. Support for amended claim 8 can be found in claims 1, 2 and 8 as originally filed. No new matter is added by the amendments.

The specification has been amended to replace incorrect formula 6 with correct formula 6. As the amendment to the specification is fully supported by the specification as originally filed, for example, formula 4 and page 27, it does not constitute new matter. Entry thereof is therefore respectfully requested.

**CONCLUSION**

In view of the foregoing, Applicants believe all claims now pending in this Application are in condition for allowance. The issuance of a formal Notice of Allowance at an early date is respectfully requested.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 415-273-7554.

Respectfully submitted,

Matthew E. Hinsch
